

Augusta Jewish Federation 2007 Youth Awards

The Augusta Jewish Federation will again make awards in three (3) categories to youngsters planning to attend Jewish Residence Camps, Israel Programs and Leadership Training Programs.

Camp Awards

Awards for camp will be made, as funds permit, ONLY to those who demonstrate financial need. Applications are online at www.jewishaugusta.org and www.augustajcc.org and available at the office.

Israel Program Awards

Israel Program Awards will be given, as funds permit, to any student participating in a recognized program in Israel who has completed 9th grade and is enrolled in high school or college as an undergraduate. The trip must be sanctioned by a sponsoring Jewish organization and award recipients must agree to speak about their trip upon their return throughout the Jewish community. Financial need is not a requirement. Israel Program applicants may use the online application. Unless financial need should be taken into consideration, the IRS 1040 will not be necessary.
